ABSTRACT

Please add the text of the abstract here. Here you can also add relevant PACS and MSC classification codes.

1. Introduction

The main text goes here. Some guidelines:

- do not change the size and style of the text font;
- use standard \LaTeX commands for equations, references, and so on;
- main advice — keep the \LaTeX code as simple as possible.

2. Second section

Text of the second section of the paper.

3. Conclusions

Text of the conclusions section of the paper. In the following section some examples are provided for the style of the references.
